

Story 02b. DELETE USER

As a user known by the system
I want to delete a user

WIREFRAMES:

ACCEPTANCE CRITERIA:

- In the User Overview, there is a Delete symbol visible besides every registered user
- When the Delete symbol is clicked, a confirm page is shown. This page contains a Confirm button and a Cancel button.
- When the Confirm button is clicked, the Home page is shown and the selected user is deleted.
- When the Cancel button is clicked, the User Overview page is shown and the selected user is not deleted.
