

Story 10a. SORT WORK ORDERS

As a user known by the system

I want to sort all registered work orders by date

WIREFRAMES:

ACCEPTANCE CRITERIA:

- On the Work Order Overview page, there are two buttons. One to sort by oldest and one to sort by newest.
- When sort by oldest is clicked, the Work Order Overview page will display the Work Orders from oldest to newest.
- When sort by newest is clicked, the Work Order Overview page will display the Work Orders from newest to oldest.
